

Rocky Mountain Academy of Evergreen

Community Service Day

April 26, 2017

Dear First Responders,

On behalf of the 2017 Graduating 8th grade class of Rocky Mountain Academy of Evergreen, we'd like you to have these REHAB bags for use in the field, on the road or whenever you need. We are so grateful for all you do for us, for the environment and for our community. We realize you put yourselves at great personal risk and sacrifice so much of your own free time for self and family to ensure **our** safety and we want you to know, WE CARE!

Be Safe Out There

With respect, honor, appreciation and love.
